

Parents,

I am so excited to see you all on the first day of school! To ensure a successful start, please follow the steps below prior to Day 1. I am providing a Zoom link for our first meeting scheduled for Tuesday, Sept. 1 at 9AM. The link will also be posted at the top of the Classwork page in Google Classroom.

I am sending the links for each classroom below. These links are direct invitations into our classrooms, **so please don't use them just yet.** I will be teaching the kids how to log on. These are for your reference or if your student is unable to log on during our planned lesson time or are unable to make that lesson.

**Zoom Link for Sept. 1:** <https://tahoma.zoom.us/j/97968051290>

Step 1: Review the district [Netiquette and Digital Citizenship](#) document

Step 2: Review the [Getting Started with Zoom](#) document and review the rules with your child

Step 3: **Watch the 3 videos** below for getting started with Google Classroom

Step 4: Get Started!

    Login to GoTahoma account (our name for our district Google accounts)\*

    Join our class(es)

**Our class code(s)/link:**

**Math** - <https://classroom.google.com/c/MTUxODE2NzUwNjE3?cjc=gsuesv7>

**Reading** - <https://classroom.google.com/c/MTUxODE2NzUwNjM1?cjc=3fgqk46>

**Writing** - <https://classroom.google.com/c/MTMxMDc5MTlwMzA0?cjc=zamgpzo>

    Practice navigating

Note: Students will learn more about navigating Google Classroom during the first few weeks of school but it would be great if you could explore it with them prior to school starting especially if they did not use it last year.

Step-by-Step Video Instructions:

1. [How to Login to GoTahoma](#) (If prompted, select Personal account not Business.)
2. [How to Join a Class in Google Classroom](#) (This video will look slightly different than your view but the overall steps are the same.)
3. [How to Navigate Google Classroom](#)

You can also use this [presentation](#) to walk through the steps if preferred.

\*Your child's username (email address) and password were emailed by the district this week. If you did not receive this email, contact Teaching and Learning at [tahomaupdates@tahomasd.us](mailto:tahomaupdates@tahomasd.us).

Again, the first weeks will be spent walking through these steps as a class to troubleshoot with all students in a live setting. If your student should miss these lessons, the step-by-step videos will help solve most issues one could have.
