

Together, provide the tools and experiences every student needs to create an individual, viable and valued path to lifelong personal success

Future Ready Skills

COMPLEX THINKER

Students identify and apply types of thinking needed in specific situations. Students use strategies that support effective critical thinking, problem solving, and creative thinking.

QUALITY PRODUCER

Students take pride in producing high quality work. Students evaluate and improve their work independently.

SELF-DIRECTED LEARNER

Students demonstrate initiative and perseverance for their learning. Students reflect critically on experiences, knowledge, and skills to assess their progress and adjust or set new goals.

RESPONSIBLE DECISION MAKER

Students make informed and thoughtful decisions. Students analyze how their decisions affect themselves and others.

EFFECTIVE COMMUNICATOR

Students communicate clearly, keeping in mind purpose and audience. Students interpret and respond appropriately to others.

COLLABORATIVE TEAMMATE

Students work effectively with a team for a shared purpose. Students understand that high functioning teams produce better results than can be achieved independently.

COMMUNITY CONTRIBUTOR

Students care about others and the environment. Students identify needs and take action to serve the common good.

CONSCIENTIOUS WORKER

Students are trustworthy, dependable, and effectively interact with others. Students take responsibility for results and demonstrate a strong work ethic.
